

Application for Minnesota Grown

Wholesale Directory Listing

The Minnesota Grown Wholesale Directory is an online-only directory featuring farm businesses interested in selling to wholesale markets. Listings are available for fresh food that is grown/raised in MN and sold to wholesale markets, like grocery stores, retailers, distributors, restaurants, schools, or institutions. You must have a valid Minnesota Grown Labeling License (page 1) to have a listing in the Directory. If you have questions about qualifying, please call.

Provide the following information as you would like it to appear. Please print clearly.

BUSINESS INFORMATION

Business Description

Describe your business and products—(e.g. size of your business, quantity of product sold, number of acres, types of markets you sell to, products that you wish to highlight, any special features of your business that you want potential buyers to know, etc.)

Business Experience

Describe your level of experience as a wholesale producer—(e.g. years of farming, any examples of current or previous accounts that you wish to note, years selling to wholesale markets, etc.)

Distribution Detail

Describe delivery/shipping/packing/scale options—(e.g. what geographic areas you service, minimum/maximum product quantities, list distributors that carry your product (if applicable). Do you deliver direct to the store/restaurant, ship via distributor(s), UPS, FedEx, other, etc.)

Please email photos/logos to display with your online listing. All listings include the Minnesota Grown Proud Member logo. We strongly encourage you to submit at least three other photos. Please email them to: mngrown.mda@state.mn.us
